Positions

- A. Equality Virginia asks all General Assembly members to sign a [statement](#) that they do not discriminate in their office based on sexual orientation or gender identity. If you are an incumbent, have you signed EV's nondiscrimination statement [[check here](#)]? If you are not, will you sign the nondiscrimination statement if elected? Please include other actions you and your office take to create an open and inclusive workplace for gay and transgender employees.

I am happy to sign EV's nondiscrimination statement. I will only hire people based on merit.

- B. Please describe your level of support for the following issues that are legislative priorities for Equality Virginia.

1. **Protecting public employees from discrimination based on their real or perceived sexual orientation or gender identity.**

Yes I believe in full protection of public employees from discrimination based on their real or perceived sexual orientation or gender identity.

2. **Ensuring that LGBT Virginians have equal access to public accommodations and housing.**

Yes, LGBT Virginians shall have equal access to public accommodations and housing.

- C. Please describe your level of support for the following issues that are important to EV and Virginia's lesbian, gay, bisexual, transgender, and allied community.

1. **Banning "conversion therapy" practiced on LGBT minors.**

Answering honestly, I absolutely disagree with "conversion therapy," but it is not a top priority of mine. I would be happy to sponsor a bill, but I will not be on my list of priorities. Create a Bill and I am on board.

2. Protecting all LGBT Virginians from discrimination in the workplace.

I do not believe in forcing private businesses from discriminating as I acknowledge that LGBT may infringe on the rights of some religious based private businesses. Who would want to work with someone who is prejudice anyway? I would protect all LGBT Virginians from discrimination from public businesses.

3. Removing the Marshall Newman Marriage Amendment from the Virginia Constitution.

It is not top priority, but I am in favor of removing it.

D. Provide any additional information regarding your involvement in or support for the LGBT community.

I am happy to sponsor any bills created to prevent LGBT discrimination in government and public entities.
